

## ONLINE INTERNAL EXAM

The internal exams for Computer Science department were conducted smoothly today viz. 21<sup>st</sup> August 2017. As per the university rules an online exam is to be conducted using online software like Moodle. Moodle is a learning platform designed to provide educators, administrators and learners with a **single robust, secure and integrated system** to create personalised learning environments.

With customizable management features, it is **used** to create private websites with online courses for educators and trainers to achieve learning goals. **Moodle** (acronym for **modular object-oriented dynamic learning environment**) allows for extending and tailoring learning environments.
