

**Report On
Orientation Program for
1st Year Computer Science Students
- 07th Aug 2018 -**

The orientation program for the first year students of ***Bachelors of Computer Science*** was organized on 7th August, 2018 at 7.30 AM in the Seminar Hall of the SCCT College of Commerce and Technology, Sanpada. The major objective of the programme was to make the parents and students aware of the academic aspects of the course, the rules and regulations of the Institute and ensuring parental participation in monitoring the performance and progress of the students. In the inception of the program, the class instructor Prof. Faiza Ansari welcomed the newly joined students and their parents.

Vice Principal Prof. Sheela Warbhuwan being felicitated by Prof. Smita Negi

Later she introduced the ***Vice principal*** Prof. Sheela Warbhuwan and also the **Head of the CS department** Prof. Smita Negi. The HOD gave brief introduction of the institution and the various extracurricular activities conducted within the college premises with the help of powerpoint presentation and also introduced the faculty members. The students and their parents were familiarized with all the facilities available at SCCT viz library, computer labs, hostel, gymkhana etc. Students were also given necessary information about the academic design of the first year CS Course and the University and Institute rules and regulations regarding academic matters.

The Vice Principal of SCCT started her speech by highlighting SCCT's excellence and mentioned that SCCT is graced by the guidance of the visionary President Mr. Javed Khan and the able leadership of **Principal** Raosaheb Shindegalwekar.

It was followed by a welcome dance by a third year student name Karisma

A brief talk was given by one of the ex-student Mr. Mobin Patel who is also the topper of 2017 batch. He appealed to the students the importance of dedication towards ones profession and to devote time in doing lot of research which is key to being successful. An interactive session with the parents helped in solving many queries and misconceptions. A vote of thanks was proposed by Prof. Vidula Kulkarni. The program ended by creating a significant impact on the students of the college and motivating them to achieve great heights.
