ACTIVITIES

2. ESSAY WRITING - (HINDI, ENGLISH)
3. DEBATE - (ENGLISH)
4. ELOCUTION (ENGLISH, HINDI, MARATHI)
5. QUIZ COMPETITION

Debate is a formal argument, in which two opposing teams propose or attack a given proposition or motion in a series of speeches. It is governed by a set of rules, which permit interruptions or “point of information” by the opposition. This is an exciting moment when we defend our views and win the debate before the audience. It was over excitement to participate in the debate.
Hot Discussion during the Debate between two groups

Elocution is an expression of words in a marvellous style. A person's manner of speaking or reading aloud before the public shows confidence of the speaker. Elocution is the oral practice of speaking or delivery of speech with control of both voice and gesture.
