

# SANPADA COLLEGE OF COMMERCE & TECHNOLOGY

## DEPARTMENT OF COMPUTER SCIENCE/ INFORMATION TECHNOLOGY

### Report on “ETHICAL HACKING”

Date: 23<sup>rd</sup> December’21

The Department of CS/IT of Sanpada College of Commerce and Technology has organised a webinar on “Ethical Hacking” on 23<sup>rd</sup> September 2021 at 11.00 am in the online Zoom Platform for the Second Year and Third Year students of CS/IT. The objective of the session was to make students learn about security options, which might have resulted in security breaches. With the right approach, students can know about the best security practices to be followed and new concepts like Hacking Mobile Phone, Windows and Linux, Testing Web Application Security, etc.

The event began with a formal welcome introduction by Prof. Smita Negi (HOD-CS) to the Management, Principal (Prof. Raosaheb), Vice Principal (Prof. Sheela Warbhuwan), Coordinator (Dr. Roselin Linitta). It was followed by introduction of the expert Speaker for the day Mr. Rizwan Shaikh.

The topics for the session:

- Password Cracking & Prevention
  - > Password Cracking Techniques
  - > Countermeasures
- Trojan working & countermeasure
  - > Trojan working
  - > Countermeasures

#### Submitted by :

Prof. Smita Negi (HOD-CS)

Prof. Vidula Kulkarni (HOD-IT)

Mr. Rizwan Shaikh (Guest Speaker)

The guest speaker kept the students glued with his engaging and captivating talks on Cyber Security and Hacking. The students were given the feedback forms to be completed. The celebration ended with the formal vote of thanks by Prof. Vidula Kulkarni (HOD-IT).

HOD-Computer Science (Welcome Address)

HOD-Information Technology (Vote of Thanks)
